The Gateway opens, revealing a land of shadow and fire. Demonic forms wielding strange powers appear within the arena. Tash-Kalar is now open to the extra-dimensional realm of Nethervoid.

Nethervoid is a new player deck for Tash-Kalar. In addition to the usual cards and pieces, Nethervoid also includes a token for marking the Gateway, a trans-dimensional portal through which Nethervoid practitioners draw their energy.

The position of the Gateway becomes critical to your tactics. You will realize the full power of the deck once you have mastered this extra dimension.
